

Barona Mesa BioBlitz

Hosted by: the San Diego Naturalist Society

Saturday April 23, 2022

The San Diego Naturalist Society presents the Barona Mesa BioBlitz! Members of our community can enjoy an entire day celebrating biodiversity in this unique habitat over 🌍 Earth Day weekend.

A Bioblitz involves using the phone app iNaturalist to collect scientific data of natural places in the form of photos and locational data. Our contributions will be some of the FIRST documentation of plants, animals, and fungi in the region, aiding current and future conservation efforts. Woohoo!
